

Business Advisors

BUSINESS CONSULTING SERVICES

In a business world, or rapidly changing economic conditions and legislation, organizations are challenged more than ever before to remain current, informed and insightful.

Our experienced team of business advisors leverage their experience and industry expertise to maximize value and minimize risk during acquisitions, litigation, arbitration, corporate reorganization and other major business transactions and transitions.

Our team of experienced business advisors includes Certified Fraud Examiners (CFEs), Certified in Financial Forensics (CFFs) and Certified Mergers and Acquisition Advisors (CM&AAs), and we are dedicated to guiding businesses with insight, innovation and experience in the following areas:

BUSINESS VALUATION SERVICES

Our experienced business valuation management team provides business valuation and other advisory services in a broad range of valuation services, including bankruptcy, buy/sell agreements, estate and gift tax, S corporation elections, transfer pricing, mergers and acquisitions, and ASC topics including ASC 820, ASC 805, ASC 718, ASC 350 and 360.

FORENSIC AND INVESTIGATIVE ACCOUNTING SERVICES

Our Forensic and Investigative accounting professionals include individuals who are experienced at analyzing, interpreting and presenting complex financial issues in a clear and usable format. Our clients are companies, boards of directors, creditors, investors and other parties that are potentially impacted by the transactions or issues involved and forums have included courts, arbitration panels, investigative agencies, law enforcement and regulatory bodies.

LITIGATION SUPPORT SERVICES

Our Litigation Support team has the professional credentials and experience to assist attorneys representing claims for lost profits, intellectual property disputes, breach of contract, insurance claims, construction claims and valuations of closely held businesses. Our team members have diversified financial and business experience, as well as familiarity with the legal process, which enables them to effectively identify key issues on each case.

MANAGED ACCOUNTING SERVICES

Our Managed Accounting team provide as-needed, part-time or full-time support for your accounting and finance needs. Focused on providing accounting leadership and support services to businesses that either have limited resources, staffing challenges or wish to supplement their existing resources with additional technical expertise. Key services include outsourced CFO, Controller and Transactional Accounting support.

MANAGEMENT ADVISORY SERVICES

Our Management Advisory team provides a wide array of services, including strategic, operational and financial analysis solutions designed to improve performance and create value. Our team can provide fresh perspectives to create unique strategies that address a business's short-term needs and long-term vision to deliver bottom line growth and organizational efficiencies.

TRANSACTION ADVISORY SERVICES

Our Transaction Advisory team helps companies maximize the success of business transactions of all types, including mergers, acquisitions, capital raising, minority interest investments, management buy-outs and sale preparation. Our team consists of interdisciplinary dedicated professionals who provide support across all aspects of transactions, including due diligence and quality of earnings, investment banking, exit planning and succession advisory and data analytics for financial transactions.
