

# Technology Advisors

## TECHNOLOGY AND DATA SERVICES

In today's ever-shrinking and demanding world market, one of the most challenging tasks facing a company is utilizing and processing information effectively and efficiently.

Using our proven methodology, the Schneider Downs Technology Advisory practice provides value-added technology services and solutions that streamline and automate processes, provide data visibility and improve enterprise-wide communication. For organizations of all sizes and industries, including:

### **Cybersecurity**

The Schneider Downs cybersecurity team consists of experts offering a comprehensive set of information technology security services, including network penetration testing, phishing and social engineering security, vulnerability assessments, IR/DR plan development and testing, tabletop exercises and a 24/7 digital forensics and incident response team.

### **Digital Transformation**

The Schneider Downs Digital Transformation team leverages technological innovations and business expertise to develop strategic, transformative solutions that drive business process improvement for organizations of all sizes.

### **Business Process Automation (RPA)**

The Schneider Downs Business Process Automation team is committed to assisting clients with the

evaluation, adoption and implementation of robotic process automation (RPA) technology. Our end-to-end service support to your evaluation, implementation and on-going use of RPA technology.

### **Data Analytics (ADAPT)**

Schneider Downs Data Analytics (ADAPT) team offers a lineup of descriptive, predictive and prescriptive data analytic services to help transform unworkable data into actionable business insights across several business functions.

### **Technology Consulting**

Our technology consultants can help you evaluate if your business would benefit from or should be protected against change in technology.

### **Cloud and IT Solutions**

In addition to our technology consulting services Schneider Downs partners with leading technology providers to offer our clients best in class solutions.

### **Enterprise and Financial**

- BI360 Business Intelligence Solutions
- Microsoft Dynamics 365 Business Central
- Microsoft Dynamics GP and NAV
- Sage Fixed Assets
- SD inSITE
